Little Cheverell bridge repairs and road closure

We wanted to let you know that we'll soon be working in your area to carry out essential maintenance to Little Cheverell railway bridge on Cheverell Road, Great Cheverell. We're sorry for the late notice of this work.

Work will involve carrying out repairs to the bridge, cleaning the bridge using a method called grit blasting and painting. To assist us with these tasks, we'll need to remove some vegetation and carry out jet washing.

Due to the type of work and equipment we use, we'll need to close the road at the bridge for the majority of the time that we are working. A diversion route (a copy of the route overleaf) will be in place and signs on the road will be put out in advance. Closing a road completely is never ideal and we'll re-open the road as soon as it's safely possible.

Much of our work can be done during the day but for safety, we'll need to carry out some work overnight while trains aren't running to keep our teams safe. We've listed our planned shifts and road closures below. Please note this can change.

Lane closure with traffic lights

Date	Shift times
Monday 6 February - Friday 24 February	8am and 6pm
Monday 1 May – Friday 26 May	8am and 6pm

Full road closure

Date	Shift times
Friday 10 March – Monday 13 March	10 pm – 8 am 24 hours continuously working
Saturday 18 March – Sunday 19 March	10pm- 9am
Monday 3 April – Tuesday 11 April	10 pm – 8 am 24 hours continuously working
Friday 14 April – Sunday 16 April	10 pm – 8 am 24 hours continuously working
Saturday 22 April – Monday 24 April	10 pm – 8 am 24 hours continuously working
Monday 1 May – Friday 12 May	9pm - 6am

The nature of our work often means some disturbance is unavoidable. Our teams are aware that they are working close to your home, and try to minimise disruption as much as possible, but we apologise in advance if you are disturbed during these works.

Contact us

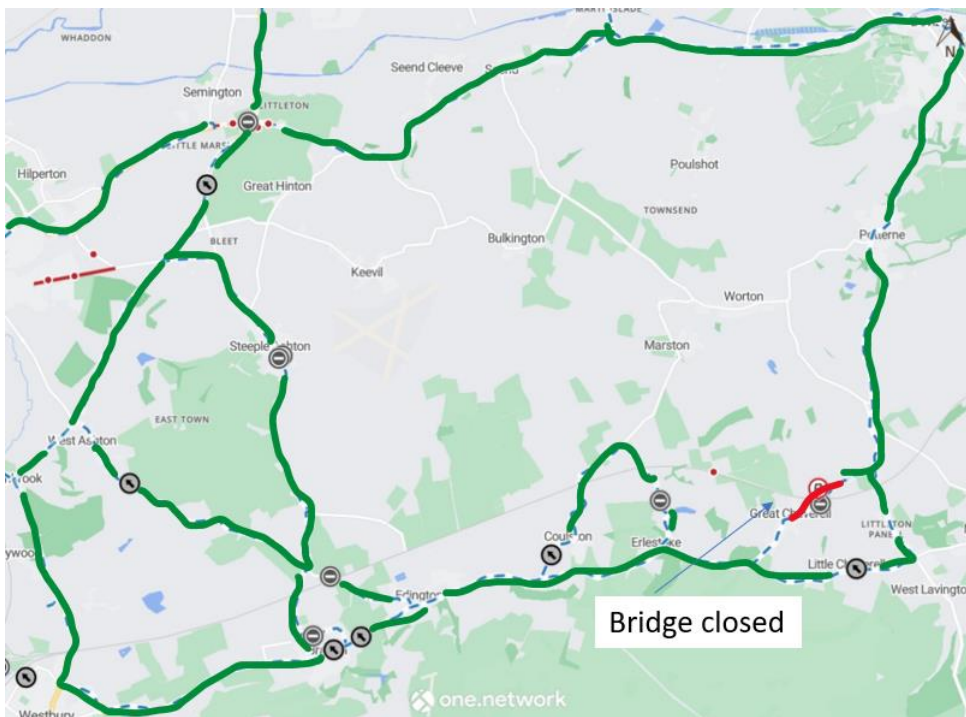

I hope this information is helpful but if you have any questions, there are several ways to contact us, by calling our dedicated 24-hour National Helpline on 03457 11 41 41, visiting www.networkrail.co.uk/contactus or scanning this QR code with your phone for more information about living by the railway.

Yours sincerely

Chris O'Connell
Community Relations Executive

Road Diversion Map – Please note this is the route suited for heavy good vehicles and local routes will be available for other vehicles but please check for local restrictions on these roads.
